RECENT PROJECTS

Daikin Air Purifier

Client: Motili

05/2021 - Present

Project details

- Motili's parent company, Daikin is beginning to enter the U.S. Home Improvement Retail market using two plug-and-play products. They are the "Room Air Purifier" and the "Room Air Purifier & Humidifier". The website enables a user to select a product; add it to the cart and checkout the cart by making the payment.

Air And Heat Done Right & HomeVestors

Client: Motili

02/2022 - Present

Project details

- Motili has devised a D2C approach, by guiding the homeowners through a series of questions navigated through a guided wizard, show them the recommended options of repairing or replacing, the entire HVAC or parts of HVAC system in their homes. They can add a system from a bundled set of HVAC systems into an e-commerce cart and proceed to schedule an appointment with a job contractor.
